

Installation Steps Prior to Using the Code

1. Go to [meta-llama/Llama-4-Scout-17B-16E-Instruct · Hugging Face](#)
 - a. This is the Huggingface repository for the Llama 4 model family
 - b. We should be using Llama 4 only because of its extended image reasoning capabilities versus older Llama models
2. Requests model access

Please be sure to provide your full legal name, date of birth, and full organization name with all corporate identifiers. Avoid the use of acronyms and special characters. Failure to follow these instructions may prevent you from accessing this model and others on Hugging Face. You will not have the ability to edit this form after submission, so please ensure all information is accurate.

The information you provide will be collected, stored, processed and shared in accordance with the [Meta Privacy Policy](#).

LLAMA 4 COMMUNITY LICENSE AGREEMENT
Llama 4 Version Effective Date: April 5, 2025

"Agreement" means the terms and conditions for use, reproduction, distribution and modification of the Llama Materials set forth herein.
"Documentation" means the specifications, manuals and documentation accompanying Llama 4 distributed by Meta at <https://www.llama.com/docs/overview>.
"Licensee" or "you" means you, or your employer or any other person or entity (if you are entering into this Agreement on such person or...

[Log in](#) or [Sign Up](#) to review the conditions and access this model content.

- a.
 - b. You will need to sign into hugging face (or sign up if you do not have an account yet), and **make sure to use your UCB email address**, using a personal email address may result in your access being denied!
 - c. Fill out the form that shows at that link above once you signed in
 - d. Wait ~ 1 hour for request approval
3. YOU'RE ALL SET!
